Thanks to Stidham

The Siskiyou Opportunity Center would like to thank Mr. Larry Stidham Of Stidham's Trucking, for his generosity in helping our facility take delivery of a new glass crusher for our Recycling Center.

Mr. Stidham's firm picked up the crusher from the manufacturer, which was in National City, California, and battled it to Mt. Shasta free of charge. His generosity helped to enhance the quality of service at our Recycling Center, and our ability to provide training and employment for the disabled citizens of Siskiyou County.

Again, we thank Stidham's Trucking for their support of the Siskiyou Opportunity Center.

Sincerely,

-Danny Hansen, Assistant Director, Siskiyou Opportunity Center
